

## **Exhibit 43**

 **richardprince4** Portrait of Kim Gordon, ink  
jet on Canvas, 2014.

**Eric McNatt**

11 September 2014 · Edited ·  

I guess it's an honor and a right of passage for Richard Prince to steal your work. [Instagram](#) and their "public domain" copyright rules are a treasure trove for this noted copyright offender. You can get away with anything when you have the The Warhol Foundation, along with the Robert Rauschenberg Foundation on your side. Lets see where this takes me. Calling [Patrick Cariou](#) and [Magnum Photos](#).
